Dear Judge Ross:

I write on behalf of all of the defendants in this case to request additional time to file motions. Specifically, it is requested that the defense be permitted to file their motions by July 28th, and the government will respond by August 21, 2014.

I have spoken to counsel for the Government they consent to this application.

I thank Your Honor for her consideration in this matter.

Respectfully submitted,

Elizabeth E. Macedonio
